Board of Selectmen, Planning Board members, and town staff,

Due to recent family concerns, I must resign my seat on the Planning Board, effective immediately. I apologize for the short notice, but I appreciate your understanding that family is my highest priority. It has been a pleasure serving with you all over the last 2 years, and I truly appreciate the efforts and volunteer contributions of the residents and employees of Acton. My family and I hope to reside here for many years to come, and I look forward to once again volunteering in the town. Thank you,
